Thinking about the New Year gives us a shock to realise that the 100<sup>th</sup> Anniversary of the founding of 'Derby Wireless Club' is looming ever closer and ideas on how we are to celebrate this landmark year are needed. So planning etc., can be started well in advance, the committee would like to know what you think we should do operating stations so others can 'work' the oldest radio club, a celebration meal somewhere, whatever, your ideas or offers of help even just to make the tea please let us know so we can hopefully make this a landmark year.

Just to wrap this up our friends at the 'South Normanton Alfreton and District A.R.C. have asked if we would like to put a team in for a Quiz night on Monday 2<sup>nd</sup> March against other radio clubs in the area if you would like to be part of the team please let us know as soon as possible so we can advise 'SNADARC' for catering purposes. Details will be sent to those who volunteer.

Regards To All

Clive Stevens.
